

HEALTHY RELATIONSHIPS PRE-CONFERENCE WORKSHOP

Sunday May 28, 2017

The session is designed for educators to help them facilitate discussions with their students about healthy relationships and dating.

Participants will be better able to:

- Recognize what a healthy relationship looks like
- Identify what a unhealthy relationship looks like
- Identify the warning signs of a unhealthy relationship and family violence
- Learn how to help their students who maybe in unhealthy relationships
- Dating bill of rights
- Describe key components of a safety plan

Each participant will receive a tool kit that they will be able to use to facilitate the training with their students.
