### **SHARE YOUR SUCCESS STORIES!!**

In the spirit of our theme this year "Waves of Success" we would like you to share your stories of success in your communities. ONECA wants to shout out to the world how wonderful we are and will be publicly displaying and celebrating all of the success and wonderful things that are happening in our communities. We want to hear from everyone so that we can create our wall of fame and showcase the great stuff that is happening in First Nation Education, our programs, students, and those workers who are doing an awesome job out there supporting our students.

What would you like to celebrate and share from your community or work place? (100 words or less – can attach pictures or logos)

We welcome pictures as well
