LAUGHTER IS GOOD MEDICINE

Improv is a guaranteed way to lower your stress levels. Improv is about creating a scene with others, without any rehearsed lines. It's all about teamwork, thinking outside the box and opening up your imagination. Most of all, it's about laughter and having fun!

BOOSTING YOUR CHILDS CHANCES FOR SUCCESS IN LIFE

This interactive and high energy workshop will help parents to not only keep their children on the right path in life, but to help their children become confident, responsible and mature adults. Topics include how to help your child deal with important issues such as stress and peer pressure, seven ways to help your child succeed in school and specific hobbies that your child can participate in that will really help them become confident and successful.

**WHO SHOULD PARTICIPATE?
PARENTS, TEACHERS, COUNSELLORS AND CAREGIVERS -
EVERYONE IS WELCOME!**
