## Abstinence Agreement

### ONECA ALCOHOL & DRUG USE POLICY

The ONECA creates and thrives in a healthy community life for all students, staff and our families. One of the integral aspects of that community life is the agreement by all community members to abstain from drugs and alcohol (other than those prescribed by a physician) during the 5-week period of the program. This commitment enhances our atmosphere of respect and healing while at the same time guides us on a healing path and acknowledges our position as role models and helpers.

In recognition of the above and in keeping with past recommendations of students and staff, we ask that all Program Team Members and Students sign this Abstinence Agreement to solidify our commitment and direction throughout the program. Please read and sign below:

---

I acknowledge my obligation to remain drug and alcohol free upon arrival at the host delivery site and throughout the entire duration of the program up to and including day of departure. Further, to support the ONECA community I also acknowledge and agree to bring to the attention of the Program Coordinator any infractions in order to protect the positive and responsible environment we are attempting to create for our children, other community members and ourselves.
