GREAT CHIEF

US

What community research project(s) would you like to do?

- Benefits

- Potential challenges

What community research projects would the community like to see?

Benefits

Potential challenges

How to get research projects done

- Surveys?
- Community meetings?
- Other?
- Whose paying for it?

Ownership of research

- Where will it be stored?
- How will people access it?
- Who has control?
- How to keep it moving?
