

native counsellor
TRAINING PROGRAM

Course Description

This course will introduce learners to a variety of educational tools that are designed to enhance Indigenous children and adolescents understanding of themselves and the role they can play in their communities.

Learners will gain an awareness of the legal and ethical responsibilities for guidance programs and counsellors.

Special topics will include: culturally relevant school counselling services, Ontario based wise strategies in guidance education and current practices/standards from the Ministry of Education.

Course Outcomes

- Explore various culturally relevant services and guidance supports for Indigenous students.
- Explain the legal and ethical responsibilities of guidance programs and school/guidance counsellors.
- Investigate the range of wholistic career and well-being resources for guidance planning.
